

FTC Team #19516 Sponsor Form Fairmont Preparatory Academy

Greetings from the Huskyteers! We would like to ask if you would be willing to support our school's robotics teams as we embark on another exciting season of competition. Our team is made up of dedicated and talented students who are passionate about robotics and STEM education. We would appreciate any support you are able to provide us with. Your generous sponsorships will help provide our team with the resources and tools we need to design, build, and program robots as well as continue exploring STEM. Additionally, your contributions will go toward travel expenses, equipment, and team uniforms. We would be honored to acknowledge your support through the display of your company logo on our team's website and robot or another way if you prefer. We sincerely appreciate your time and consideration.
